EDUCATION

Pennsylvania State University (University Park, PA)

B.S. in Physics, 2005-2009

- ▶ Honors in Electrical Engineering
- ▶ Minors in Mathematics and Japanese language

SKILLS

I love solving problems. I'm an experienced program, product, and project manager, software developer, leader, and designer.

I am passionate about technology. Though I don't often use these skills in my day job, I'm experienced with Python, Ruby, C#, C++, Octave, Ruby on Rails, Django, git, Linux, and server administration, to name a few.

HOBBIES

Side projects

- Development and design lead for TeacherMaps.com
- Web administrator for FamilyPromiseNSB.org
- Blogging on drew-harris.com

Other interests

- Technology, foreign languages and cultures, hiking, running, biking, cooking
